## Partnership Opportunity

**Charitable Donations:** Each year our club gives back. Through the collective efforts of our members and partnered services, we are able to provide an opportunity that will allow for a charitable company interested in partnering with us, an opportunity to receive fundraising dollars from our club charity events. The club will make a charitable donation on behalf of our members. A donation percentage is outlined in our “Additional Contract” and or event Proposal. We select the charity that receives our donation gift. Any charity can apply to be a charitable donation receiver by submitting a proposal or filling out a donation application request online.

**Note:** Must be a 503c business to participate in receiving charitable donations from our club to your charity.

**Charity Event Sponsor:** Businesses can donate to our charity events through cash donations, gift certificates and or items that will support the specific event. Meal sponsorship and or sponsoring other event activities are acceptable sponsorship dollars. If you become an event sponsor, your business will be advertised in our event literature and on the said event website. As a sponsor, you will also be nominated to receive a “Sponsorship” award at our upcoming club GALA benefit.
